

# REMOTE INTERNSHIP

FOR THE UNIVERSITY OF AIZU

# Remote Internship: Crucial step for success

As technology enables virtual workplaces to work increasingly seamlessly, a huge portion of full-time workforce in businesses are shifted to working remotely.

REMOTE  
WORKING  
GLOBAL  
TREND

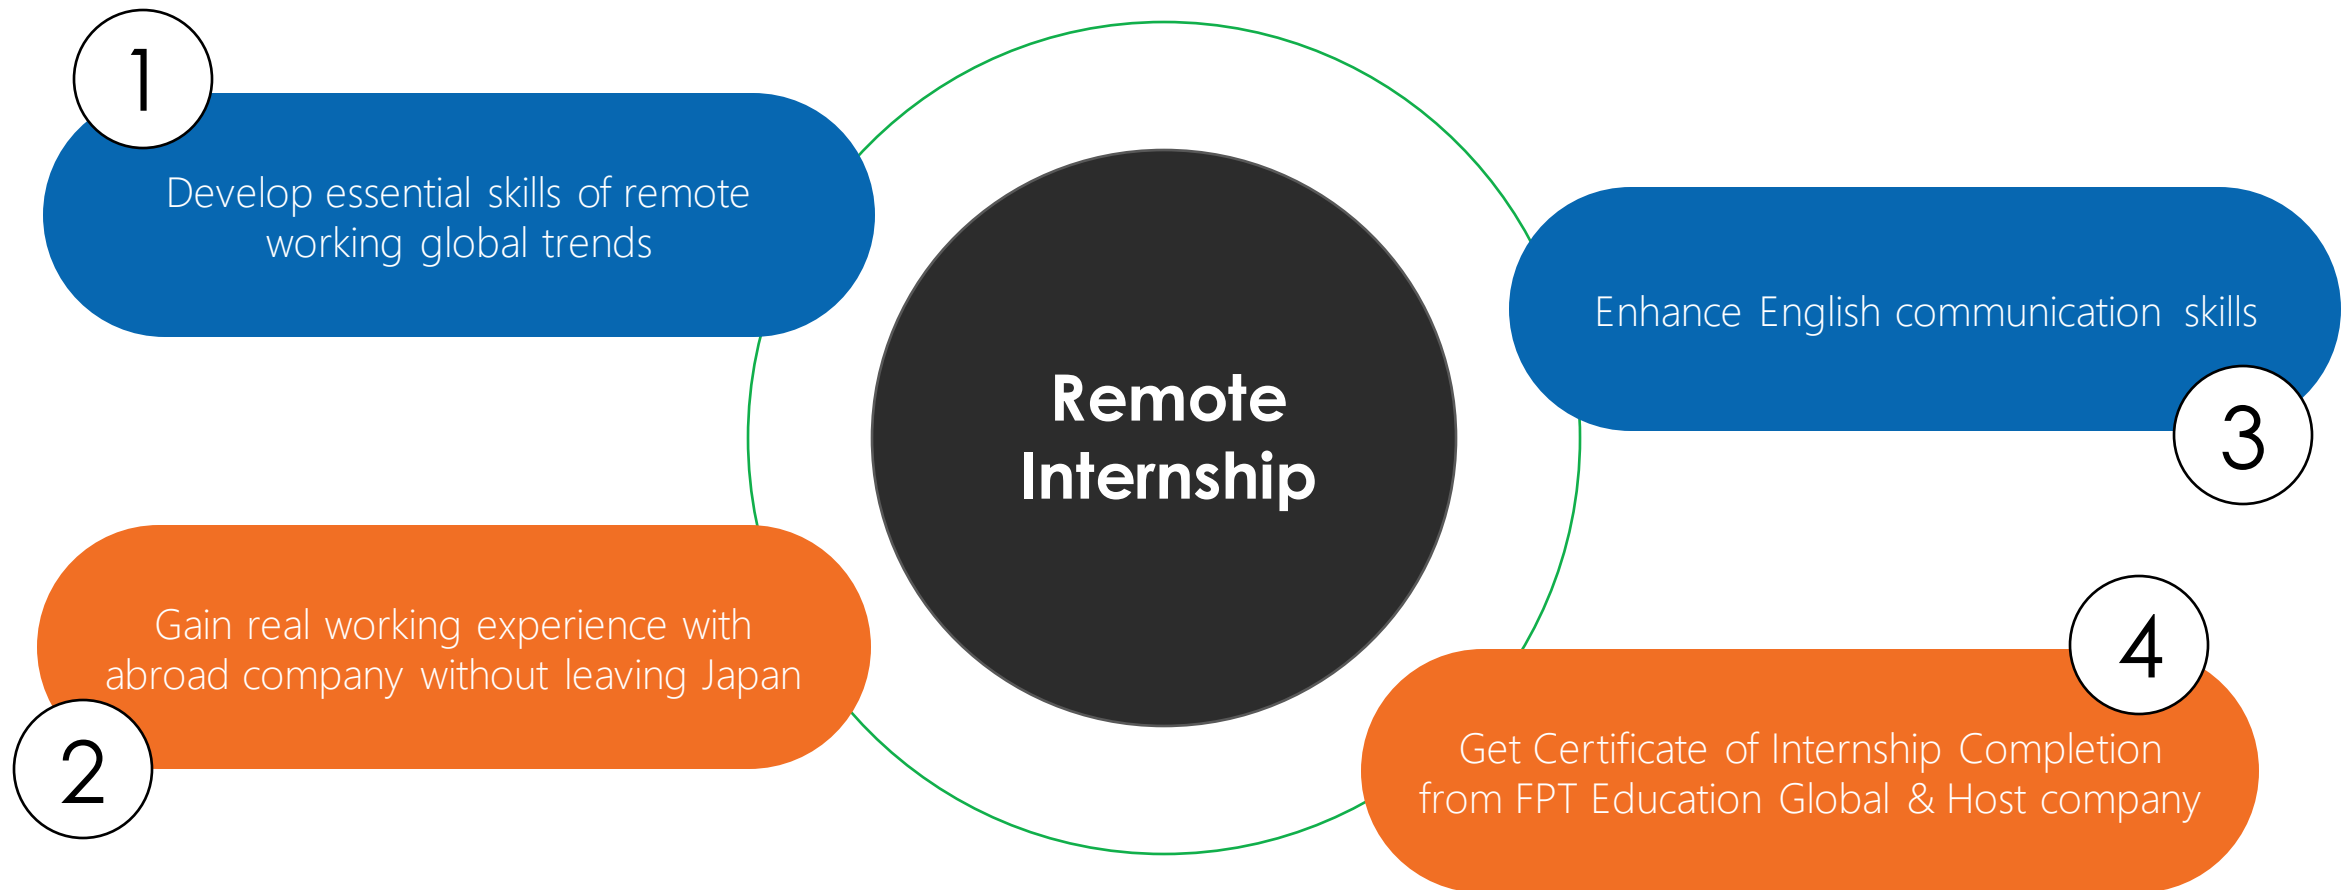

Due to Covid-19 pandemic, experts forecast remote-work trend to get more significant from 2020 onwards.

INTERN  
ABROAD  
WITHOUT  
TRAVELLING

Prepare for the global trend by working virtually as an intern before graduation is the best way to prove that you have what it takes to work in a remote environment.

# Orientation

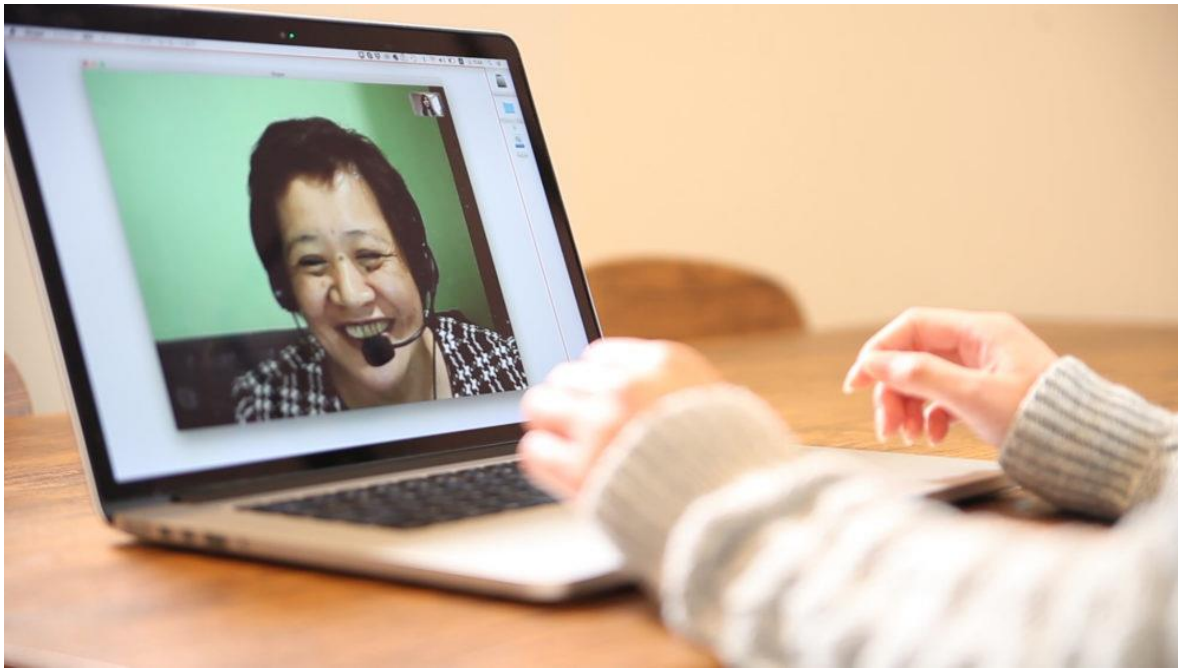

- **Program orientation:** which gives students general and detailed understanding about program components and experience they will have in their internship.
- **Problem solving guidance:** which shows students common issues they may have during remote internship and how to solve them effectively.

Our professional native teachers with comprehensive experience in training English communication for students from all over the world.

# Global English Class

- Small-size Global classroom with international classmates.
- Unlimited free access to meticulously selected learning materials.
- Multinational English - speaking community.

# Workshops

A series of workshops is designed on an outcome-based model to bring students an insight into and practice case studies.

The slide features two human head silhouettes facing each other. The left silhouette is red and labeled 'Fixed Mindset'. The right silhouette is blue and labeled 'Growth Mindset'. Below each silhouette is a list of bullet points.

**Fixed Mindset**

- I'm only good at certain things
- I give up when it gets too hard
- I hate challenges
- I take feedback and criticism personally
- I don't like doing what I don't know

**Growth Mindset**

- I can be good at anything
- I try until I get the results I want
- I embrace challenges
- I welcome feedback and criticism
- I like learning about things I don't know

In the bottom right corner of the slide, there is a small circular profile picture of a man and the text 'Cuong Hoang Van'.
